

INCOME DISCLAIMER

The information here is provided to you in general terms, without taking notice of your specific personal and financial situation.

Under no circumstances should this presentation be considered as any type of solicitation, investment, legal or financial advice. Past performance does not guarantee future results, and is for informational purposes only.

Acquiring a membership from Dream Come True gives you access to benefits such as education, optional access to other products or services within various parts of our ecosystem and access to the daily rewards program of the Dream Come True membership as provided to all our members.

A membership acquisition is not an investment. Access to certain other optional products and services may be subject to KYC and separate qualification processes and may not be available in all countries. Each membership carries a specific benefit and specific time frame and will expire as specified.

Access to membership can be extended through acquiring additional and separate memberships by your personal choice.

The Dream Come True Membership is on a best-efforts basis and, like any project, there is a risk of loss of funds and rewards and may not be suitable for all persons. Risks include but are not limited to: market and trading risks, system and transaction processing risks, cybersecurity, regulatory risks, business failure, mistakes made by yourself, and others, opinions, market data and recommendations are subject to change without notice.

We do not purport Dream Come True membership to be a "get rich quick scheme. There is no recommendation in this presentation to acquire any membership, product or service.

You make your own decisions, based on your own due diligence. We recommend that if you are unsure in any way, you seek the advice of a suitably qualified professional.

Your continued attendance at this meeting or a recording of this presentation beyond this point, indicates your acceptance of the above terms.

Disclaimer in Physical or Electronic Presentations

Participation in this project, like any other, involves risk. Under no circumstances should this presentation be considered as any type of solicitation, investment or financial advice.

The information is provided to you in general terms, without taking notice of your specific personal and financial situation.

The Project is on a best effort basis and, like any project, there is a risk of loss of all funds and commissions. We recommend you seek professional advice before making any Decision.

We make every effort to ensure that we accurately represent the Dream Come True membership, membership benefits, and the Dream Come True referral rewards plan and their potential for income.

In no way does it offer a commission or financial reward or percentage payable for referring a new community member.

There are no guarantees regarding income or rewards from the Dream Come True membership opportunity. The basic DCT membership rewards plan offers members an anticipated daily reward based on the value of membership acquired, but it is on a best-efforts basis and subject to change at any time.

Any description of potential rewards made in this presentation can only describe the DCT membership plan itself; the DCT Service Agreement and regulatory requirements include the specific prohibition against members or presenters making any income claims whatsoever, as such may be considered enticement.

The examples used may show exceptional results which do not apply to the average member and are not intended to represent or guarantee that anyone will achieve the same or similar results. Income or rewards or rank levels and achievements are dependent upon the individual member's business skills, personal ambition, time, commitment, expertise, activity and demographic factors.

As with any business, your results may vary. The use of our information, products and services should be based on your own due diligence and you agree that our company is not liable for any success or failure of your business that is directly or indirectly related to the acquisition and use of our membership, information, referral plan, products or services.

Empowering Dreams with Dream Come True

Since our inception in early 2022, we've been dedicated to providing top-tier online FinTech education. Our ever-growing community has thrived through our diverse range of programs and services, tailored to meet the needs of the digital age.

At Dream Come True, we're committed to fostering success in the digital world. Through our exclusive learning materials and global accessibility, we aim to empower individuals to reach their full potential. Together, let's navigate the evolving digital landscape and achieve greatness.

Join us on this journey of **purpose and passion.**

BITCOIN

Bitcoin Success Stories

"A Bitcoin holder becomes a millionaire, thanks to the cryptocurrency's meteoric rise, and holds onto long-term wealth."

"A rural farmer in a remote village becomes a crypto entrepreneur, leveraging Bitcoin mining to uplift their community and provide access to education, healthcare, and infrastructure."

"A student finance her entire college by holding in Bitcoin, turning their family financial struggles into a story of triumph and freedom."

Decentralized digital currency enables secure, transparent transactions on a blockchain. Limited supply, potential store of value, and catalyst for innovation in finance.

- Exists in Digital Form
- Not influenced by politics
- No inflation
- A Decentralized network with a transparent set of rules

Educational Material

MODULE 1:

Introduction of Blockchain

Decentralized, transparent, secure technology for recording transactions across computers.

MODULE 2:

Introduction of Bitcoin

Decentralized digital currency using blockchain for secure transactions.

MODULE 3:

Introduction of DeFi

Decentralized finance recreates traditional financial services on the blockchain.

MODULE 4:

The role of Blockchain in Web3

Next-gen internet enabling decentralized, user-controlled interactions and smart contracts.

MODULE 5:

Web2 Vs Web 3 - Which is better?

Contrasting centralized and decentralized internet models.

MODULE 6:

Cryptocurrencies and Decentralized Finance

Digital currencies and decentralized finance revolutionizing traditional financial systems.
